

## **Divine Limitations of The Moorish Science Temple Of America** (Setting the Records Straight / An Open Letter)

As there has been much support of the distribution of my book, [THE BIOGRAPHY OF NOBLE DREW ALI / THE EXHUMING OF A NATION](#), by a few “functioning members” of the Moorish Science Temples of America (MSTA). To them, in accordance with Chapter XXXIII, I am very grateful. There have also been some criticisms and oppositions by a few suspicious members and Sheep-fleecers because I am no longer a “member” of a MSTA Group. A few ‘Moorish-Haters’, leading small groups of Lambs, have accused me of being an enemy of the MSTA because I am not foolish enough to exchange my National freedom for their ungainly rituals of enslavement ... AGAIN! Humbly be advised, I am not the enemy of anything brought to us by Noble Drew Ali. “**If man would find his devil he must look within, his name is SELF.**” Did not the Holy Prophet instruct the Moors to “**Protect the Prophet and the temple?**” Where was His protection when all other authors, none of which has been a functioning Member from 1934 to 2002 but were writing your history their way?? They portrayed our Prophet as being everything from a Western Shriner of some unknown Negro Lodge to a Black Muslim. And depicting the MSTA as a non-Islamic Cult, Secret Society or Jailhouse Religion?? When Charles Kirkman-Bey, Nelson-Bey, Blakely-Bey and Robert Love-El were strangely mixing *Membership with Nationality* and began *Making Moorish Americans* in the MSTA. These Supreme Grand Legal Advisors and Moderators transfused this “making” ritual from when they were under direct oaths and obligations to Masons who were made in the attending lodges. When these masons outlawed Drew Ali’s Divine Constitution & By-Laws and replaced The Divine Covenant with their own “Rules and Regulations of 1934” ... thus changing His Islamic-Democratic Form of Government to a “Dictatorship”, to be ruled by one Man, Sultan, Moderator or Grand Sheik (“Alone”) ... where was the Prophet’s Protection then?? Where were the Moorish and their Protection *before* I wrote “THE BIOGRAPHY OF NOBLE DREW ALI?? I will tell you, they were from passive to none-existing. They were still in a coma they had suffered at about the head from Jubelum’s Setting Maul. The Moors have been sleep, still drunk from the wines of carnal things! And the MSTA has gotten so weak from hatred until no two temples can get along in the sane city. They have forgotten their only duty was to *Teach-and-release*. How can there become Guiders of the Nations while confined to ‘Sunday School?’

I owe no oath to any man and I am not ashamed to let the world know I am grateful to Allah for sending to us a Prophet. The publication of my book speaks volumes for my gratefulness. Drew Ali has done more for me than all the naught my enemy can conjure against me. If there were just 23 good Moors like myself, The Moorish American Nation would rise before finishing breakfast. Ali warned that “**Dirty Moors would take this movement down so low it would disappear from the face of the earth.**” Moors are so scattered today behind hatred until most do not know they have inherited these evil-eyes towards each other from their post-Drew Ali Leaders. All Leaders, with no exception, including my beloved Sunday School Teacher, The Prince of Peace-Dr. R. German-Bey, are guilty of exulting and separating their membership of Moors as being superior to all outside of their especial circle. Ask any Moor why they hate their own blood and they will blame Drew Ali Himself before admitting they have been hoodwinked by a another man. Today, through sheer ignorance, their students have painted Noble Drew Ali in a corner of confused disintegration of Yo-Science and His-Lamism. Why of all the Major Prophets, does *my* Prophet have to be the only one devising ways to herd his flock *back* into the same iron hands of oppression which had legally enslaved them from 1779 to 1865? Ali did come to “**make us better Citizens?**” *but not* of THE UNITED STATES OF AMERICA; no more than Moses made the Hebrews return to the pharaohs of Kemet. The only Moors promoting this lie are those in direct opposition to Moorish Americans being a free Nation of People. As a result of these loose shoe strings, the sole purpose of the MSTA (To **Teach ONLY**) has been compromised for low level secrecy. The only secret in all of freemasonry is the true identity of Hiram Abiff and Drew Ali brought that!! But these recycled secrets alone shut down the AC in 1956 which subjected the Members/Moorish Americans deeper into the shallow grave of Roman yoke and laws. This is the real reason my own Moorish brothers denied me before the courts of Rome. They truly had no idea what they were doing. (*Here, it must be remembered, the primary business in the Orders of Western Freemasonry is to sustain the burial of the Moorish. Their foremost task is to assure Hiram Abiff, codename for West African Nationals, never rise from their Northwestern coffin. They were marked as dead and were meant never to raise whole, intact bearing one free national name.*) It is impossible to be a Moslem, who *is* The Will of Allah and be a Mason too! A Mason oaths his will to an earthly Worshipful Master. One will simply not allow room for the other. As one of a few truly free Moorish Americans in this land, I am not opposed to European Freemasonry (So-called Moorish Masons and other Negro Travelers do not realize if they were truly free or accepted as long as their Women and Children are in bed with Europe’s Most Worshipful Master. All so-called Moorish Masons are less than a kut-below what their ancient Forefathers were. They simply do not have a clue who they are or what they are imitating. Subsequently these weakened Masonic teachings caused the fragmentation of the once ‘One Temple’ and the MSTA lost her impregnable ‘Sunday School’ strength. Meanwhile the true Salvation of 60 million conquered Asiatics has placed back in The Founder’s Hands on the Soul Plane and He is now bringing it down with a vengeance! Now, a few of my brothers and those who accept their teachings, want to

hate me when there is not one among them anywhere who can truthfully say I, Elihu N. Pleasant-Bey, has ever harmed them. Noble Drew Ali nor I was never the cause of their hatred. Who taught you to hate? People hate because their ego likes hatred. In human nature, you become what you accept.

My book has been written with the Spirit of Ali and the Guidance of Allah. It also offers a “Worldwide Challenge” (also included as a link on my website [www.sevensealspublications.com](http://www.sevensealspublications.com)) and it should be taken up by all those opposing Fat-mouth Moors instead of backbiting their own blood. With all due respect, most National Grand Sheiks, Chief Ministers and other ‘Prophet-wanna-bees’ would not know the MSTA, an Adept, a Holy Prophet or another Moorish American National if they each were to kiss’em in the mouth!! These are those whose ego has caused too much confusion in the ranks of the Moorish for them to come together in love, truth, peace and freedom. This missive is being imparted to the ignorant as well as the wise. I am making the following lessons as an extended hand of divine love to all Moorish Americans. In His Holy Covenant, our Prophet instructed: in order to be a Moorish American I “MUST keep my heart pure with love.” I am striving everyday to be that love for myself, family and nations. So I am parting these lessons with love not because I am against the organization but for the “ONE TEMPLE” that has not existed since July 20, 1929. For certain, all true Moorish Leaders need to wake up and let the shut-eyed Moors sleep! Don’t you know it’s NATION TIME!?!?

Those of you, who know me, know I am fearless and the Scimitar is now in my hands. Beware, a superstitious people are members of the MSTA. They have a belief that they have borrowed from idol worshippers of the west, that when they register a member within their organization it gives them the power to “Nationalize” said member into be a Moorish American. O’Great God, since when has man acquired a power to extended beyond Your Force, the great universal Creator, Allah???? The Grand Sheiks and Ministers have been assuming the power to render unto man a descendant nature, to “Make” him a Moorish American. What about **who his/her forefathers were yesterday??** How is this possible?? Good Moors please be advised, my not being a member of a MSTA does not have one iota of Love, Truth, Peace, Freedom or Justice in determining my free national status of being a Moorish American. Of all the Dojas in China, none can determine the nationality of their Chinese students. Remember, our Illustrious Prophet Noble Drew Ali founded the MSTA as an organization, under His General Laws and incorporated it under the lawful venues of The United States. Due to The Grace of the Great Universal Creator Allah, Himself and descendant nature of my Forefathers, no man’s or woman’s nationality is invested in the power of a MSTA or any other organized group. Whether or not I am a good Moor or not can only be judged by The Master of the Day of Judgment. Although my life’s sum is dedicated to salvation of my people, I only must answer to Allah and Ali. I do not owe the MSTA and my dues were paid two years hence prior to my devout departure. I am a Moorish American and let it be known, this Moorish American is not in discord with any of the MSTA Groups or its members. Since the release of my book I have been offered membership in several temples. I had to decline each one, especially those with blatant intention of “**owning me and governing my life, works and family through acceptance of their ‘Nationality and Identification Cards’.**” BEEN THERE, DONE THAT. These *misunderstandings* are largely due to old Moorish Americans with the outdated beliefs “In order for a person to be a Moorish American national he or she must be a ‘nationalized’ member of their especial temple.” When a Chinese enters a Temple, Mosque, Church, synagogue or other religious entities they still come out “Chinese.” Although they may accept the membership title of Moslem, Muslim, Christian or Jew, their free national name (*Chinese*) does not change nor can it be taken away. Even excommunication will not alter the birthright to his descendant nature. Those who have been deceived by this crime have usually taken the bait of “Moorish Membership Initiation” before they knew the “nationality hook” was hidden in that especial organization. Most have invested well in the required meetings before they ever find out the Holy Prophet taught nationality but had never Nationalized a member in the history of His MSTA. Did not the Holy Prophet warn His Moors: “**If you Moors are not careful, your own brother will enslave you again.**” According to divine and national laws, the MSTA **does not** have the power or authority to nationalize a person because its Members did not derive from the heritage of a sovereign nation.

Recently I was in a large city in the south and asked a sitting Grand Sheik this question: “*Moor man, is your mother a Moorish American?*” His response was, “*No, my mother is not a Moorish American because she has not come to the ‘temple’ to get nationalized.*” This line of weak thinking is a common, long standing, finite point of view shared by most officials in most temples today. The truth is his mother *is* a Moorish American by descent, not by membership. Common sense should tell anyone a slave cannot have a freeborn child. Across town, in the same city, another self-proclaimed “Chief Minister” of the Moorish Americans (who has been openly spreading his unfounded hatred towards me and other Moorish Americans to his household and those who accept his teachings) was running rabid with hatred while screening members by deeming who is and who cannot be a Moorish American. Again, both brothers are good Moors but are splinters from what their Moorish Leaders were before them. (The irony here is these brothers, while teaching others to shun my book, have actually helped these sales of THE BIOGRAPHY OF NOBLE DREW ALI / THE EXHUMING OF A NATION). The MSTA has lost its original oneness because it has overstepped the bounds of its limitations by violating the

Divine Covenant of Allah's Holy Prophet. The Holy Prophet found the MSTA as *just* an ORGANIZATION with three major limitations in ACT-5 alone:

**1st Limitation: "THIS ORGANIZATION":**

In all his literatures, including His Holy Koran, Drew Ali constantly refers to The MSTA as an "ORGANIZATION". The MST of A was first founded by Prophet Noble Drew Ali in 1913. Its incorporation in Illinois was the full outgrowth of Newark's Ancient Canaanite Temple and Moorish Holy Temple of Science, which He had begun in 1913. When one considers the "Duty of a Prophet" it becomes clear that establishing an Organization is not the supreme reason why Allah ordained Noble Drew Ali to be our Prophet. More simply put, Organizations are not Nations. Too many Moors are caught-up on **Noble Drew Ali THE FOUNDER** and have placed **Noble Drew Ali THE HOLY PROPHET** on a faithless back burner. They honor Him with voice and lip instead of industrious national acts. They are not sure enough of Ali's Saving Power to shout it to the world "**Unto us a Prophet is born, Unto us the laws have been given and from Allah, our Savior has come.**" Only the Moors in the various dismal crypts have had to prove His Holy Prophethood against stout Sunni, Christian and NOI oppositions. This is why I hold them to such high esteem because of the life's sums they have solved in the Maximum portion of Roman Prisons in America. Meanwhile, 'Temple Moors' revel in Mason/Eastern Star Secrecy, singing Christian-based hymns and waiting on Drew Ali to come again. Still no Moor is free until all Moors are free. These various Masonic-based organizations, under the religious tenets of the U.S. 1<sup>st</sup> Amendment, has assumed the status of a nation in the minds of its members; yet as an organization, the MSTA can not muster the recognition as a government or as a nation. It should be further recalled, the foundation of European Freemasonry rests upon the murder of the Moorish God Man and its purpose is to devise measures to prevent the Moorish Americans from having jurisdiction of themselves as a people. No organization can be superior to its nation; no more than a slave being superior to his/her Master. No organization or government has the lawful power to give or take away the nationality of any member of the Human family. These associations, organizations and businesses cannot make anyone a Moorish American, Chinese or Turk... unless; their powers extend beyond the Universal Creator, Allah Himself. One's nationality is acquired through the descendant nature of their forefathers. The Moorish do not exist because of a membership card to any organization or club. And it is a crime to charge, tax and re-enslave a member under the color of pseudo-nation Membership Registration while keeping them drunk on a He-brewed wine of *Hislamism* and *Your-Science*. Registrations made within any organization entitled a person to the rights and privileges offered through its membership. These agreements between members and laws can be overturned, revoked and violated according to whim. This is why Noble Drew Ali's first sentence on the card is "**This Is Your Nationality and Identification Card for the Moorish Science Temple Of America And Birthrights For The Moorish Americans, Etc.**" Remember, all Moorish Americans, by Birthright, exist with or without The MSTA. The true Divine and National Movement of North America is The Prophet's Bridge leading from the Sunday Schools of His mostly Religious MSTA Inc., across the assumable Jurisdictions of the 14<sup>th</sup> and 15<sup>th</sup> Amendments, to the heart of His upright, independent, clean and pure Nation. He was born Timothy Drew in the State certifying Him as a Negro. Alas, when He left the body 43-years later, He was Noble Drew Ali, a Moorish American National. Surely what He has done, we all must do and even greater. Any Moor who says otherwise is making futile attempts at confining the duty of a Prophet to a religious box called The Moorish Science Temple etc.

**2nd Limitation: "NOT TO CAUSE CONFUSION":**

Ancient and modern "Temples" have always been set aside to be a *teaching element* (See: Act-6) subservient to the constitutions of their host nation. The MSTA was founded upon these principles and regulations. There is a finite reason why today no one can find the "**One Temple**" or the "**One Prophet of the Temple.**" The MSTAs today are not the same MSTA as was founded by Noble Drew Ali. When the Prophet was in the flesh, all Temples were one. One Leader and one set of divine laws unified members of several States under one Grand Body. This oneness was for the sole purpose of preparing members to become better Citizens formed under their own Government, bearing one free national name of Moorish American. The chartered purpose of the MSTA was returning the ex-slaves of the USA back to the human family of nations. But from July 21, 1929 through September 20, 1934, this purpose was betrayed through European Freemasonry and the true status of Moorish American Nationals was compromised...just as has been prophesized by Noble Drew Ali.

**A member of an organization is not synonymous with Citizen of a nation.** It should not be assumed these venues are subject to the same jurisdiction. For 75 years every MSTA Group and leader has and does claim to be "The Authority" and "The Original" because of some secret documents they have acquired directly from The Prophet. Only *their* members, with *their* "Nationality Cards" are true Moorish Americans. All others are "out there", "unconscious", and "excommunicated". Then these shunned members are labeled *not* to be Moorish Americans. Subsequently, today there are scores of established MSTA's and other Moorish entities, from the Nation of Islam, Nuwaubians, Washitaws, and Great Seals to newly Resurrected Moorish Groups coast to coast. Some are so far from the source until they still do not know it was Noble Drew Ali who brought them **everything to save a nation**. Today Moorish are so confused they are wearing poke-a-dot fezzes with striped tassels, attending Moorish Church Services and waving the Flag of Morocco while voting under the

granted privileges of the 15<sup>th</sup> Amendment. In fact, personally, I have had one Moorish Leader to go before the federal Courts of The United States Government and deny that I, Elihu N. Pleasant-Bey, am a Moorish American. Obviously, this incongruous line of thinking stems from the belief his power was greater than The Universal Creator. I am not trying to credit Western freemasonry with the total downfall of the MSTA. It time for the proper diagnoses to reveal a major undercurrent to the organization mass confusion, disunity and hatred. This poison works in conjunction to how European Freemasons, distinguishing themselves from their “Profane World”, wrote racism into the United States Constitution. Thus, making it the law of the land. This is why Apartheids have been in every realm of their young society. To take advantage of the ignorant has always been profitable to the greedy. Through European Freemasonry, the long standing oppressors of the Moorish have given feigned powers to those Moors who sustain confusion among the Moorish. This is why The Holy Prophet warned the Moorish to “not to cause any confusion” and above all they are not to:

### **3<sup>rd</sup> Limitation:**

**“NOT TO OVERTHROW THE LAWS AND CONSTITUTION OF THE SAID (MOORISH AMERICAN) GOVERNMENT BUT TO OBEY HEREBY.”**

For 75 years the various Moorish Officials, Sheiks and in-house Adepts have been guilty of disallowing the Moorish Americans to unite as a clean and pure nation. This is a process of withholding registered “members” at the organizational level while not teaching them the truth of their unlimited capacities inherent within themselves to be the ordained nation of people. This violation of suppressing their nationality and divine creed is only equaled by the process of “denationalization” in the 14<sup>th</sup> and 15<sup>th</sup> Amendment. These two ex post facto Amendments were keeping the Moorish buried in a shallow grave of the United States with such an iron hand until the Holy Prophet instructed the Moors to go through them to regain their national and religious Status. He said **“So, there isn’t but one supreme issue for my people to use to redeem that which was lost, and that is to prove there is no need for the application of the 14<sup>th</sup> and 15<sup>th</sup> Amendments for the salvation of our people and citizens.”** The violations of ACT-5 via various MSTAs Officials work hand in hand with the oppressive denationalization activities of the 14<sup>th</sup> and 15<sup>th</sup> Amendments.

**Denationalization** ranks high on the list of international crimes; with ‘Genocide’, ‘Pogrom’ and ‘Treason’. Preventing the Moorish from proclaiming themselves as a Nation of People, by any means, is also to overthrow their Divine Constitutional Right to autonomy. Every Human Being has an inalienable and divine right to have a nationality. Without true freedom the return of the Ancient Moorish will never be accepted as an independent nation. The summation of over seven decades of these wrongdoings has yielded 98% of all Moorish Americans misplaced outside the MSTA. Nevertheless, it is the infinite nature of the Moorish to create from their keys to civilization. They have built the United States into a world leading Super Power, while in a coma. Likewise, it has been the industrious acts of the Moorish outside of the MSTA who have deep impressions towards the sovereignty of a clean and pure nation. There isn’t but one supreme issue for my people to use to redeem that which was lost and that is to see; these acts and those of the aforementioned Amendments serve the same purpose.

For the better part most Moors are sincere and would not intentionally continually do these evil deeds against their own people. From my heart to the heart of those who love their race, this missive is truly intended help the various groups of Temples to be conscious of their internal disorders and diseases. Basically because they were originally founded by the Greatest Prophet of all times as well as most Officials have no idea to the nature of their problems. I am sure if they were aware of these misunderstandings; they would have healed themselves years ago. But just like ‘Black Churches’ need to get the Masons out of there pulpits in order to set the captives free; The MSTA must return the Church (Roman Freemasonry) and Christianity back to the Europeans in order save the Moorish Americans. I am here to assist in putting *Humpty Dumpty* back together again. I am willing to meet with any Moorish American, anywhere, any time in answering the clear call of unity. In fact, as I must set the record straight, I have been divinely instructed by the Last Prophet to give the Moorish the Truth. All Moorish Peoples in the Americas should call remembrance to their aid, lest they forget. It was they who prayed, prayed and prayed for the Great God of our Forefathers to send us an Angel to relieve us from the Mafa and slavery of the Roman yoke and Law. In all His mercy, Allah sent Prophet Noble Drew Ali with the truth to make us free. Praise Allah nationality is not contingent upon the persons and stations of men or the Post-Ali systematic re-enslavements of my people would never end. We must proclaim *our nationality* before *our government* in order for us to be recognized by the nations of the earth. Drew Ali ordered the Moorish to **PROCLAIM** their nationality, just as He claimed Himself and us in Havana Cuba. We must imitate Noble Drew Ali and walk in His footprints. You can not rightfully proclaim something unless it was and is already your own! Proclaiming one’s nationality within the structure of any organized group (MSTA) is mere practice in feigned compliance with Registration of their membership. The **“But this is a new era of time now”** of ACT-6 carefully *separates* this required membership teaching within His Organization from the true proclaiming of the Free National Name before the Moorish American Government in which true Moorish Americans live. This ‘Separation’, written in the same

divine science as in ACT-5, make the clear distinction between (1) Drew Ali, The Founder and The Duty of a Prophet. (2) **His General Laws** (organization) and **His 'Supreme Laws'** (Nation). (3) Membership and Nationality. The true Science of the Moorish is a power that exerts itself at the will of the user. General registrations go no further than the corporate files of the Home Office and have no free national bearing on true citizenship. This holds true for the outdated NATURALIZATION Scams, where thieves are charging from \$125.00 to \$5,000.00 Dollars to Naturalize an unaware Buyer into the citizenship of the Corporate UNITED STATES or some other non-existing Sovereignty. Please, The 14<sup>th</sup> Amendment, ex post facto to the Dred Scott decision and 13<sup>th</sup> Amendment, has already assumed jurisdiction over all NBC. Plus, Naturalization Ceremonies held in every Capitol City, is purely a voluntary the exchanging or hyphenating of one's existing Citizenship from the jurisdiction of one government to another. The key here is to have an "existing Citizenship" from a Constituted government. This scam works only on blind ignorance alone. Q. What part of "Moorish American" has "United States Citizen" spelled in it? Can a Chinese be Sudanese? NO. Drew Ali said it was wrong for our people to have been written into the 14<sup>th</sup> and 15<sup>th</sup> Amendments. Now, there are some Masonic Moors claiming to have the lawful power to 'naturalize' Moorish Americans into being UNITED STATES Citizens. These Moors do not work for U. S. Department of Immigrations (nor did Noble Drew Ali), but they love the European Oppressor so much, they are willing to feed their own blood to the lion. And for what other than financial gain? And some of my weaker Moorish Kin has developed the nerves to look at me with scorn!?!?!

From a legal prospective, It is time now for the Moorish to come into their own and they must open their eyes to truth. The reason these lessons have not been taught is simply because the Moors have stopped thinking beyond their mortal Grand Sheiks. I have love for all and will forever be connected to the MSTA. However, the spirit of Drew Ali's words "**Out from your Sunday School comes the Guiders of the nation**" is heavy upon me. No Moor can be a true Guider of our nation while *still* in Sunday School. I am now one of those Guiders; Because I was forced to start thinking. This not to encourage members to leave their beloved temples but to stay a enforce Drew Ali's Laws and make the necessary corrections from within. Caution: Stay, but it is a part of wisdom to know when to leave; Or it may cost another innocent Moor 84 Months in the Federal Prison System. Remember, your present registration also voluntarily gives said Leaders jurisdiction to rule over you ... to accept or deny your standings at their discretion.

Truth is, Drew Ali's Religious Corporation, the MSTA, was never intended to have powers over free Moorish Americans as a Nation. How is it possible for a free National Man/Woman to sustain their autonomy in the general Membership Registration of a Club, Organization or Religion? This has been assumed by some unlearned Moors the MSTA is also the National Government for a nation of sixty million Moors. This whole idea is ludicrous and foolish. There is not an organization in the world with the power to house an entire nation of people. The natural descendant nature of a people's Forefathers is by far more ancient than any Organization founded by their children. ACT-5 clearly states the MSTA is subordinate to the Moorish American Nation. As with any organization, under Roberts Rules Of Order, etc. all powers exercised by the officials of the MSTA are drawn from the volunteerisms or elections of its members. Drew Ali's record now speaks for itself but I have been with various groups of Moorish and it is my People who have been carrying out the works of those who plan to keep us buried as a nation. Outside of playing the fool by halves, why on Earth would an ex-slave try to hog a Holy Prophet, who is five times greater than Jesus, Mohammed, Buddha, Confucius and hide Him in their portions of another man's Plantation? It is time to love each other for the **right** reasons. Not because he or she is a member of any especial Temple, which vents biasness and hatred towards others of our own blood, but because "**Our Nationality**" is the same as "**His Nationality**." We will be free only when this lesson is carried out. If those among you refuse to tell you these truths and I don't tell you, then who will? We all are subject to error. Being your Brother means I am not exceptional to this human failing. Nevertheless, unlike Niggers trained not to think, (oops! Dirty Moors), no group of Moors has the jaw to survive the left-hook of hatred! The only thing deadly about being on the right track but headed into the wrong direction is *not* realizing the time to *stop* is now!!! This letter is not to harm but to inform those that need to amend their ways. Yet, you do not have to be a Moorish Scientist to figure; if you keep doing what you have been doing since July 21-1929, inevitably you will continue to get what you have been getting.

With Love Divine,

Elihu N. Pleasant-Bey, Swift Angel #1

PS: My plea asks the Reader to not perceive this missive as one drawn from anger. My sword became unsheathed from too many of my brother's knives in my back. Its high time the world know "**Who Is Noble Drew Ali**"? Understand, in my travels I have become tired of seeing my People suffer in this occupied land while Moors play ego games with their salvation. If you feel you must react to this open letter then let your uplifting acts be your response. Whatever God you serve, do as your highest ideal dictates to you and the end should be beneficial. All others can treat it like the Monkey does the peanut; Get the nut and throw the hull away.
